STATE REP. WINKLER ACHIEVES PERFECT VOTING ATTENDANCE RECORD

HARTFORD — **State Representative Michael Winkler (D – Vernon)** was present for all 392 votes taken in the House of Representatives during the 2019 Legislative Session. In fact, he has never missed a vote in the three years he has served in the legislature.

“I am honored to represent the 56th Assembly District, and I’m not fulfilling my duties to constituents if I’m not present in the chamber, voting on behalf of their interests,” said **Winkler**. “I understand that things come up that are unavoidable. I was pleased to be present for each vote, however long or late the session.”
