

The Connecticut General Assembly

REP. SANTIAGO HAILS FUNDS FOR HALL NEIGHBORHOOD HOUSE

Rep. Ezequiel Santiago (D-Bridgeport) applauded the approval by the State Bond Commission of funds he championed for a project at Hall Neighborhood House.

“This is a great investment in our youth – they will have access to and training in music production with a professional recording studio,” **Rep. Santiago** said. “This is something they would not otherwise be exposed to. I am pleased to have played a major role and thank Governor Malloy for supporting this funding for a project that will enrich many lives.”

\$1,500,000 was approved to Hall Neighborhood House for renovations and the creation of a recording studio.

[Hall Neighborhood House](#) provides a host of social and educational programs that benefit the lives of children, youth, families and senior citizens in Bridgeport, CT and the surrounding communities.

The State Bond Commission approved the funding in a recent meeting. The Hall Neighborhood is on [Bond Commission Agenda Item #17](#).
